

CLASS DESCRIPTIONS

ABC (Absolute Body Conditioning)- Participants will all begin on a SPIN bike for a 10-12 min. warm up and short ride. Then challenge your workout by moving through high intensity, powerful stations of work which include TRX Suspension Straps, Kettles, Medicine Balls, Risers, free weights, rowers and more time on the spin bike. Guaranteed to keep your heartbeat pumping while burning major calories all while you are engaged in intense body conditioning

BODY WORKS: A class mixed with quick intense bursts of exercise followed by active recovery periods. This type of training gets your heart rate up while improving on muscle tone and fat loss. As total body exercise focusing on strength, balance and posture.

BOOT CAMP- Develop speed, endurance, agility, and coordination with a series of drills and exercises. Instructor may include the indoor running track, outdoor spaces, balls, benches, etc...

CHISEL- Full top and bottom work out for those who want to improve their strength as well as flexibility. Use of bars, stability balls, weights, resistance bands, etc.. A great class for those just starting their fitness regime.

Gentle yoga- is recommended for all levels looking for a soothing, relaxing, and restorative experience!

Cycle Flow- A unique blend of Cardio, Strength, Stretching, and Mobility, Cycle Flow will rev up your metabolism AND help you relax, de-stress, and energize! With 3 rounds each of CYCLING and YOGA, experience the benefits of Cardio AND Strength Intervals, all while increasing your physical and mental flexibility.

Healthy Heroes – This is a veteran only class aimed to help increase the health and mental well being of our local veteran community. This class will contain HIIT style training technique in which you give all-out, one hundred percent effort through quick, intense bursts of exercise, followed by short, sometimes active, recovery periods.

HIIT- High Intensity Interval Training - is a training technique in which you give all-out, one hundred percent effort through quick, intense bursts of exercise, followed by short, sometimes active, recovery periods. This type of training gets and keeps your heart rate up and burns more fat in less time!

Jolt - Jolt will bring you sudden strong increases in energy with bursts of high-intensity cardio and strength training exercises every class. The key to class is variety! No session is the same and includes bodyweight only, weights, medicine balls, mats, bands, step climbers and a positive attitude.

KICKBOXING- Burn body fat and lose inches through punching and kicking techniques. A great class for those looking to enhance their power, strength, and coordination.

PILATES - Make the mind, body, and spirit connection! Create balance, symmetry, strength, and flexibility throughout every muscle. Bands and free weights add to this amazing class.

POWER YOGA- Focuses on breathing techniques while moving through a series of postures. Postures may be different from class to class but always follows an intelligent progression that moves from basic to complex with emphasis on strength and flexibility

REP N' Recover - A barbell weight training class that challenges every major muscle in your body. High repetition boosts your endurance, creates leaner muscles and speeds up your metabolism for rapid fat burning, enhancing confidence and wellbeing. The class will end with 30 minutes of functional fitness and mobility exercises which help to preserve balance, flexibility and joint stability. This class is suitable for all fitness levels!

Silver Sneakers® - A variety of exercises designed to increase muscular strength, range of movement and activities for daily living. Hand-held weights, elastic tubing with handles and a ball are offered for resistance. A chair is available if needed for seated or standing support.

SCULPT- This class will focus on your upper and lower body as well as your core using weights, bands and kettlebells to sculpt a healthier you.
